

nEbO City @ E!hub A New Lifestyle Hangout for YOUths

Located on the 4th level of E!hub @ Downtown East, nEbO City is a one-stop integrated youth entertainment outlet which includes a café, Zone X, Funky Balls, X-Scoop and Cathay Cineplex.

Spanning over an area of 35,000 sq ft, nEbO City is definitely an alternative hangout place for YOUths. With a seating capacity of 150, the cafe boasts a vibrant look with 6 Plasma TVs that play music videos and movie trailers. A multi-purpose room with a movie projector for private events or parties is also available. YOUths may also rent board games at discounted rates and choose to use any of the 5 internet kiosks at nEbO café.

YOUths can enjoy a sumptuous meal at the café with their friends. There is a wide selection of food ranging from finger food, snacks, main courses, desserts and drinks to whet their appetite.

To encourage a fun culture, nEbO has created 5 trading kioks which allow YOUth entrepreneurs to showcase and sell their items at the café. There is also a cozy lounge with a games area, equipped with 3 Nintendo wii stations exclusively for nEbO members.

With movie-going a preferred leisure activity for the YOUths, nEbO City also encompasses a Cathay Cineplex operating 6 screens with over 1,000 seats.

nEbO is an all-inclusive and empowering club that is perfect for YOUth to live their dreams. The café is fully run and managed by YOUth and students; the aim is to create ample opportunities for aspiring entrepreneurs to hone their business and communication skills by working alongside successful young entrepreneurs.

Timothy Boay, aged 25, one of the young entrepreneurs running the cafe said, "With nEbO's support, I am free to take risks running this cafe. Being passionate in whatever I do and having the freedom to express my unique individuality, I am determined to succeed in my path of entrepreneurship here."
